BOTANICAL GIN

TASTING NOTES: Our flagship, signature, 10 Botanical (a.k.a. our original “Blue Label”), is a corn-based, New World gin, with a base spirit of 6, individual botanicals. This base is run through the stills a second time, accompanied by 4 additional botanicals: lemon, grapefruit, vanilla and lavender. The result is precisely the balanced, slightly dry, botanical-focused gin we were striving for, offering a pleasant, cocktail-friendly finish.

BASE BOTANICALS: Juniper, coriander, orris root, angelica root, cardamom, licorice root

ADDITIONAL BOTANICALS: lemon peel, grapefruit peel, vanilla, lavender

PROOF: 80

ABV: 40%

GRAIN BILL: 100% Corn

SUGGESTED COCKTAILS: Martini, Ramos Gin Fizz, Tom Collins, Gin & Tonic, Bees Knees
